

## **ENCORE PSYCHIATRIC FURNITURE**

Encore Medical Psychiatric furniture provides safety & versatility for all specialty hospitals. Customers can choose from a variety of bed options including restraint rails, head & footboards, and non-removable drawers or open storage compartments. We also carry a line of bedside cabinets, desks and wardrobe closets that can be tailored to your facilities specific needs. All items can be bolted to the floor, if desired, and come with a variety of wood color options. This bed includes the Encore Medical 1 Year Warranty.

Color options include but are not limited to:

Options: New zipperless mattress available!
